Prayers for our Mission Partners

- **Rachel Youlton** has recently returned to Hebron School in India, to teach PE. Hebron is an international Christian school that educates many missionary children. Please pray for her to settle in well, for good adaptation to culture and climate, and for building strong relationships with colleagues and pupils.
- **Eleanor Lewis** is starting a 3-year training program to become a church women's worker, through an organisation called 20schemes, which plants churches in housing estates in some of Scotland's most deprived areas. Please pray for her to raise enough funding, and to continue to grow in her love for the Lord, & those she ministers to.
